

Dear Friends,

Thank you for taking the time to print the electronic version of our Commitment Cards. You can return it via mail, Sunday collection, or drop off at the parish office.

We know that over the past years it has been difficult for all of us to consider increasing or even making a financial commitment to the parish, but parish expenses continue to rise. As you have seen in this year's Stewardship Report, we are blessed to have a gifted staff that ensures we keep the vision of the parish alive. Please prayerfully consider making or increasing your previous year's commitment to help meet the financial needs of our parish family. **Our goal is 100% return from our 1400 families and 100% of our 2010-2011 budget pledged.**

We are truly a gifted parish in prayer, service and sharing.
