

# Parish Survey Results

In January, 667 parish members took the parish engagement survey. Here is what their responses told us.

**“By their fruits, you will know my disciples...”**

After many years of asking people their opinions about religion, and all aspects of life, the Gallup Organization has discovered that these survey statements, if strongly agreed with, give us a way to **measure** and **promote** the most effective causes of spiritual health in our parish. These bulletin inserts serve to inform our parish of the meaning behind these statements, and to develop ways to increase the number of those who “strongly agree” with them.

For example, liturgy experience, learning opportunities, or service projects.</i></p>	<p><b>45%</b></p>	<p><b>30%</b></p>
