

LUNCH SUPERVISION

Since last spring I have been evaluating our lunch supervision program with the volunteers assisting in three areas. While many days ran smoothly, on several occasions each week, we were very short handed at the last minute. Currently three staff members assist with cafeteria and outside duty along with three volunteers. More and more schools are hiring for those positions for liability reasons as well as having consistency for our children. Through this time I have questioned people and have received all kinds of feedback about what to do with no definitive answers. In the best interest of the students, their safety and security, I would like to propose some changes for this year. Throughout the year we will evaluate how things are working and if other changes will need to be made in the future.

The plan for lunch supervision for the 2006-2007 school year includes:

Hiring one person, at \$10 per hour, who would be consistent during lunch time and assist in the office for a brief time following lunch. (If you would be interested, please contact me.)

Each family will pay a noon supervision fee of **\$55.00** and **volunteer 2 times** for the year. Anyone who helps out more than 2 times would be paid \$8.00 per hour. (If anyone would like to volunteer for a consistent day of the week throughout the semester or year, (ie: every Monday) we would also appreciate and welcome that consistency.)

If you would wish to **“buy out”** of the volunteer time, the cost would be **\$70.00**.

If you would be unable to be at school during your scheduled time, please find a substitute and notify the office of the change. If no one shows up, a \$10 fee will be assessed in order to pay another staff member for their time.

Please choose one option and return the form to school by August 28 or return it by email to jschueller@gbres.org. (form is on the web site School/Parent Resources)
