

Here's What You Told Us!!!!

Your responses to “The mission of my parish makes me feel my involvement is important.”

What do you think is the mission of Resurrection?

To encourage all people to worship, love and serve our Lord and others on the journey

Our mission is the mission of the whole church – to go forth and spread the Good News to the whole world. At Res. We are made aware and given the opportunity to prayer, serve, and share with others, especially the poor and needy. Friends of Haiti, twinning with Okolona, Habitat for Humanity, the Tree of Giving and the holidays are just some of the opportunities.

How do you or could you fit into the mission of Resurrection?

I do my best to be involved in the parish in service to others. I also encourage others to do so as well

Participating in the liturgy as a lector

Taking advantage of frequent Mass opportunities, special speakers, Faith Formation Nights (GOD) that allow for personal growth

Giving an example in my own family as to the ever present love of Jesus

Parish Survey Results

In January, 667 parish members took the parish engagement survey. Here is what their responses told us.

“By their fruits, you will know my disciples...”

After many years of asking people their opinions about religion, and all aspects of life, the Gallup Organization has discovered that these survey statements, if strongly agreed with, give us a way to **measure** and **promote** the most effective causes of spiritual health in our parish. These bulletin inserts serve to inform our parish of the meaning behind these statements, and to develop ways to increase the number of those who “strongly agree” with them.

Gallup Survey Statement #E10	In Plain English	What this statement means...	% of 618 Resurrection members who strongly agree	% of 19,421 Americans who strongly agree
Aside from family members, I have a best friend in my parish.	I miss my church friends during the week.	<i>We are social beings, and it is important to our sense of belonging and our ability to grow that we have friends in our parish community.</i>	29%	31%

We invite your input:

How did you respond to this statement? Do you feel that having close friends at the parish is important?

In what ways can you build relationships at Resurrection?

Please return this form with your thoughts to the baskets at each door next weekend. We will publish everyone’s thoughts anonymously in the following weekend’s insert.
