Becoming Disciples of Jesus and Stewards of God's Gifts

**Thirteenth Sunday in Ordinary Time**  
**July 1 & 2, 2023**

This is one of those ideas in life that we don't know what it means until we arrive to experience it. Until you have brought a child into this world, you don't really appreciate the mystery. Until you have been diagnosed with a disease, you have not touched on this mystery. Life is like that. Mystery is like that. Salvation is like that.

Jesus is asking us to take a leap of faith. He invites us to enter into his life and mystery but with the recognition that by doing so our lives will be totally turned upside down. When we open our hearts, minds and homes to others, we become less ourselves and more of the world around us. 'Whoever gives only a cup of cold water to one of these little ones to drink... amen, I say to you, (they) will surely not lose (their) reward.' Imagine how even a drop of water can change our lives. A smile or kind word can change our outlook on life. That is the mystery that is constantly at play in our lives everytime we say YES to an immediate moment that we encounter.

Susan Perrault has been this kind of mystery on our staff for the last number of years. Susan has always been open to a new understanding of the ordinary things that happen each day. I have appreciated her deep faith and hope – we can always find a way to be inclusive and sensitive to the needs of others. Susan was always hospitable to others even as it asked her to lose herself in some way. Susan lives in the mystery that brings hope and salvation to all those she meets. Our prayers and gratitude are with you Susan as you move to the next journey as it unfolds for you.

Whoever finds their life will lose it.

Summer blessings to all!!!  
 Fr. Tom
